Ascension Internship Graduate Students Apply Now 2026

Description

Ascension is a leading healthcare provider dedicated to compassionate and personalized care. Join our dynamic team through the Ascension Internship for Graduate Students in 2026, where you'll have the opportunity to contribute to innovative healthcare solutions and professional growth.

Responsibilities

1. **Clinical Support:** Collaborate with healthcare professionals in various clinical settings, gaining exposure to patient care and medical procedures.
2. **Project Assistance:** Contribute to healthcare improvement projects, research initiatives, and data analysis.
3. **Administrative Tasks:** Provide support in the efficient operation of healthcare departments through administrative tasks.
4. **Collaboration:** Work with interdisciplinary teams to enhance patient outcomes and healthcare delivery.
5. **Learning Opportunities:** Participate in educational sessions, workshops, and training to enhance skills and knowledge.

Qualifications

1. Currently enrolled in an accredited graduate program in healthcare administration, nursing, public health, or a related field.
2. Strong academic record and a genuine interest in the healthcare industry.
3. Excellent communication and interpersonal skills.
4. Adaptability and the ability to work collaboratively in a fast-paced healthcare environment.

Experience

While prior healthcare experience is not mandatory, a background in healthcare, clinical settings, or relevant coursework is preferred.

Skills

1. Strong organizational and time-management skills.
2. Proficiency in Microsoft Office suite (Word, Excel, PowerPoint).
3. Excellent interpersonal and communication skills.
4. Ability to handle confidential information with discretion.
5. Team player with a positive and collaborative attitude.

Job Benefits

1. **Hands-on Experience:** Gain practical exposure in a renowned healthcare setting.
2. **Professional Development:** Access to ongoing training and mentorship opportunities.
3. **Networking:** Connect with healthcare professionals and experts in various
