

Atlantic City Electric Internship Program For Students 2024

Description

Atlantic City Electric, an Exelon company, is seeking motivated and talented students to join our dynamic internship program for 2024. Interns will gain valuable hands-on experience working alongside professionals in various departments across the company, including engineering, operations, customer service, and sustainability. They will contribute to meaningful projects, develop professional skills, and gain insights into the exciting world of the energy industry.

Responsibilities

- Assist with assigned projects under the guidance of experienced mentors.
- Conduct research, collect data, and prepare reports.
- Participate in meetings and presentations.
- Learn about Atlantic City Electric's operations and business practices.
- Network with professionals and build relationships.
- Contribute to a positive and collaborative work environment.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Strong academic record with a minimum GPA of 3.0.
- Demonstrated ability to learn quickly and adapt to new situations.
- Excellent communication, teamwork, and problem-solving skills.
- Proficient in Microsoft Office Suite.
- Additional qualifications may be required depending on the specific internship placement.

Experience

- Prior internship experience preferred, but not required.
- Relevant coursework or research experience in a related field is a plus.
- Experience with specific software or technologies may be required for certain positions.

Skills

- Strong written and verbal communication skills.
- Ability to work independently and as part of a team.
- Analytical and problem-solving skills.
- Proficient in time management and organization.
- Strong work ethic and a positive attitude.

Job Benefits

- Competitive hourly pay.
- Opportunity to gain valuable work experience and develop professional
