BLM Internship Application Employment 2026

Description

The Bureau of Land Management (BLM) is thrilled to announce Internship Application Employment Opportunities for the year 2026. This program offers a unique chance for passionate individuals to contribute to the management and conservation of public lands while gaining valuable hands-on experience. As an intern with BLM, you will be an integral part of our mission to sustain the health, diversity, and productivity of public lands.

Responsibilities

- Collaborate with BLM professionals on projects related to natural resource management, conservation, and land-use planning.
- Support day-to-day activities within assigned departments, contributing to the sustainable use of public lands.
- Assist in data analysis, research, and the implementation of strategies to enhance environmental and conservation initiatives.
- Engage in training sessions and workshops to develop a comprehensive understanding of public land management.
- Contribute to the development and implementation of outreach and educational programs.
- Provide support to various functions within the Bureau of Land Management.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Pursuing a degree in environmental science, natural resource management, ecology, or a related field.
- Strong academic record and a genuine interest in public land management and conservation.
- Effective communication and interpersonal skills.
- Ability to work both independently and collaboratively in a team environment.
- Passion for environmental stewardship and conservation.

Experience

While previous internship or fieldwork experience is beneficial, we welcome applicants with a strong commitment to environmental conservation, regardless of previous experience.

Skills

- Proficient in Microsoft Office suite and basic computer skills.
- Fieldwork experience or willingness to engage in outdoor activities.
- Analytical mindset with attention to detail.
- Strong organizational and time management skills.
- Eagerness to learn and contribute to the improvement of public land management practices.
