- Support ongoing projects related to airport development and improvement initiatives.
- Engage in data analysis and reporting tasks to contribute to decision-making processes.
- Collaborate with cross-functional teams on special initiatives aimed at enhancing airport services.
- Participate in training programs and workshops to enhance skills and knowledge.
- Contribute to community outreach initiatives and airport events.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Pursuing a degree in aviation management, business administration, engineering, or a related field.
- Strong academic record with a minimum GPA of 3.0.
- Excellent communication and interpersonal skills.
- Passion for the aviation industry and airport operations.

Experience

- Previous internship experience or coursework related to aviation, transportation, or related fields is advantageous but not required.
- Familiarity with airport regulations and procedures is a plus.

Skills

- Strong analytical and problem-solving abilities.
- Proficient in Microsoft Office Suite.
- Ability to work independently and collaboratively in a team environment.
- Excellent organizational and time-management skills.

Job Benefits

- Gain practical experience in airport operations and management.
- Network with professionals in the aviation industry.
- Exposure to diverse aspects of airport development and improvement
