Chesapeake Energy Internship Programs 2026 New Hiring

Description

Chesapeake Energy is offering exciting internship opportunities for students seeking real-world experience in the dynamic energy industry. Gain valuable hands-on learning alongside industry professionals and contribute to meaningful projects that shape the future of energy.

Responsibilities

- Assist with assigned projects and tasks relevant to your field of study.
- Participate in meetings, presentations, and field visits (as applicable).
- Learn and apply industry-specific knowledge and tools.
- Contribute to a collaborative and professional work environment.

Qualifications

- Enrolled in an accredited undergraduate or graduate program in a relevant field, such as Accounting, Engineering, Geology, Information Technology, or related disciplines.
- Minimum GPA of 3.0 (or equivalent).
- Strong work ethic, problem-solving skills, and ability to learn quickly.
- Excellent communication and interpersonal skills.

Experience

- Prior internship experience (preferred but not required).
- Relevant coursework or research experience in your field.

Skills

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Strong analytical and research skills.
- Ability to work independently and as part of a team.

Job Benefits

- Competitive salary and benefits package.
- Gain valuable experience in the energy industry.
- Network with industry professionals and build your resume.
- Be a part of a company committed to innovation and sustainability

How To Apply

Visit our careers page at <https://www.chk.com/careers/interns/> and search for "Intern" positions. We typically accept applications in the fall semester for summer internships.
