DC Government Summer Internship Paid Program 2025 Apply Online

Description

The DC Government Summer Internship Program offers a valuable opportunity for college students to gain hands-on experience in public service. Interns will be placed within various government agencies and departments across Washington, D.C., contributing to real-world projects that support the district's growth and development. The internship is designed to provide exposure to the workings of local government, helping students build their professional network while enhancing their knowledge of public policy, administration, and governance.

Responsibilities

- Assist with research and analysis on various government policies, programs, and initiatives.
- Support project teams in the preparation of reports, presentations, and data analysis.
- Participate in community outreach activities, helping to promote programs and services.
- Attend meetings, briefings, and events to gain insight into the legislative and administrative process.
- Provide administrative support to assigned departments, including document management, scheduling, and correspondence.
- Assist in the development of new ideas and strategies for improving public services and community engagement.
- Collaborate with fellow interns and staff to meet program goals and deadlines.

Qualifications

- Currently enrolled as a full-time student in an accredited college or university program (undergraduate or graduate level).
- Must be in good academic standing.
- Must be available for full-time work during the summer internship program.
- U.S. citizenship or legal authorization to work in the United States is required.

Experience

- Previous internship or volunteer experience in government, non-profit organizations, or community service is preferred but not required.
- Experience in data entry, research, or administrative tasks is a plus.

Skills

- Strong written and verbal communication skills.
- Excellent organizational and time management abilities.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook).
- Ability to work independently and collaboratively within a team.
