Denver Health Internship Program 2024 Apply Online

Description

Denver Health is seeking passionate and dedicated individuals to join our diverse team as interns for the 2024 program. This program offers exceptional opportunities to gain valuable experience in various healthcare fields, while contributing to the mission of providing exceptional care to our community.

Responsibilities

- Work alongside experienced professionals in your designated department, gaining hands-on experience in specific healthcare areas (responsibilities will vary based on placement).
- Assist with various departmental tasks, such as research, data analysis, administrative support, patient outreach, or project management.
- Observe patient care and healthcare operations to gain a deeper understanding of the healthcare industry.
- Develop and enhance professional skills relevant to your field of interest, such as communication, teamwork, and critical thinking.
- Contribute to a positive and collaborative work environment.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program related to healthcare, such as nursing, medicine, public health, or a related field.
- Minimum GPA of 3.0 (or equivalent).
- Strong interest in healthcare and a desire to learn from experienced professionals.
- Excellent written and verbal communication skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).

Experience

- Prior volunteer or internship experience in a healthcare setting is a plus (may vary depending on specific placement).

Skills

- Strong analytical and problem-solving skills.
- Time management and organizational skills.
- Ability to learn new concepts quickly and adapt to changing priorities.
- Commitment to diversity, equity, and inclusion.
- Strong ethical principles and a compassionate nature.
