First Energy Internship Program 2024

Description

Join First Energy's Internship Program in 2024 and embark on a dynamic learning experience within the energy sector. As an intern, you'll have the opportunity to contribute to innovative projects, gain valuable skills, and be a part of a team committed to powering the future.

Responsibilities

- Collaborate with experienced professionals on various projects related to energy generation, distribution, and sustainability.
- Assist in data analysis, reporting, and presentation preparation.
- Contribute to the development and implementation of energy efficiency initiatives.
- Engage in day-to-day tasks that support the company's mission and objectives.

Qualifications

- Currently enrolled in an undergraduate or graduate program.
- Pursuing a degree in Engineering, Environmental Science, Business, or a related field.
- Strong academic record.
- Strong analytical and problem-solving skills.

Experience

While prior industry experience is not mandatory, a passion for the energy sector and a desire to contribute to sustainable practices is highly valued.

Skills

- Strong communication and interpersonal skills.
- Analytical mindset and attention to detail.
- Ability to work independently and as part of a team.
- Proficiency in Microsoft Office suite.
- Familiarity with energy-related technologies is a plus.

Job Benefits

- Exposure to the dynamic and evolving energy industry.
- Mentorship opportunities with seasoned professionals.
- Networking opportunities within First Energy and the broader energy sector.
- Contribution to impactful projects that shape the future of energy.
- Competitive stipend and potential for future career opportunities.
