Florida Department of Health Internship Program 2026

Description

The Florida Department of Health is excited to announce internship opportunities for dedicated individuals in 2026. Our internship program offers a unique experience to work alongside public health professionals, contribute to meaningful projects, and gain insight into the diverse aspects of public health in the state of Florida.

Responsibilities

- Support public health initiatives and programs within the department.
- Assist in data collection, analysis, and reporting for health-related projects.
- Contribute to community outreach and education efforts.
- Collaborate with department staff on research and policy development.
- Attend meetings, workshops, and events to enhance knowledge and skills.
- Provide administrative support for various public health programs.
- Assist in the coordination of health promotion campaigns.
- Participate in the planning and execution of public health events.

Qualifications

- Currently enrolled in a relevant degree program (e.g., Public Health, Health Administration, Epidemiology).
- Strong academic record.
- Excellent written and verbal communication skills.
- Ability to work independently and collaboratively in a professional setting.
- Passion for public health and a commitment to community well-being.
- U.S. citizenship or legal authorization to work in the United States.

Job Benefits

- Exposure to diverse aspects of public health in the state of Florida.
- Networking opportunities with professionals in the public health field.
- Hands-on experience contributing to impactful health projects.
- Mentorship from experienced public health practitioners.
- Potential for academic credit, subject to university approval.

Experience

While prior public health or healthcare-related experience is valued, it is not a prerequisite for this internship. Demonstrated interest through coursework, research projects, or extracurricular activities is appreciated.

Skills

- Research and analytical skills.
- Proficiency in Microsoft Office Suite.
- Strong organizational and time-management abilities.
- Adaptability to a dynamic work environment.
- Basic knowledge of public health principles.
