Description

Join a leading healthcare innovator and make a real-world impact! Henry Ford Health System offers diverse internship opportunities for high school and college students across various departments and disciplines. Gain valuable hands-on experience, learn from experienced professionals, and explore potential career paths within a dynamic and purpose-driven organization.

Responsibilities

- **High School:** Assisting with administrative tasks, data entry, patient support, community outreach programs, and shadowing professionals.
- **College:** Supporting research projects, developing marketing materials, participating in quality improvement initiatives, shadowing clinicians, and contributing to special events.

Qualifications

- **High School:** Entering your junior or senior year.
- **College:** Enrolled in an accredited undergraduate program.
- Minimum GPA of 3.0 (exceptions may be considered).
- Strong communication, interpersonal, and problem-solving skills.
- Ability to work independently and as part of a team.
- Demonstrated interest in healthcare, science, technology, or related fields.
- Commitment to excellence and a strong work ethic.

Experience

- Previous volunteer experience (not required) preferred.
- Proficiency in basic computer skills and Microsoft Office Suite.
- Bilingual language skills a plus (depending on the department).

Skills

- Excellent written and verbal communication skills.
- Ability to manage time effectively and meet deadlines.
- Adaptability and willingness to learn new things.
- Proficient in using technology and applications.
- Attention to detail and accuracy.

Job Benefits

- Gain valuable hands-on experience in a leading healthcare system.
- Learn from experienced professionals and gain mentorship.
- Network with potential employers and build your professional network.
- Enhance your resume and prepare for future career opportunities in healthcare.
- Competitive stipend may be available for some internships (dependent on funding).
- Make a meaningful contribution to improving patient care and community

health.

How To Apply

- Search for “Internship” opportunities under “Jobs”.
- Review the available internship descriptions and application requirements.
- Submit your resume, cover letter, and transcripts online.
- Application deadline: Varies depending on the internship.
