ST Lawrence Seaway Internship Opportunities 2026

Description

The St. Lawrence Seaway Development Corporation (SLSDC) is delighted to announce Internship Opportunities for the year 2026. Join us and embark on an exciting journey to gain hands-on experience in the maritime industry. As an intern, you will have the chance to contribute to the efficient and safe operations of the St. Lawrence Seaway while learning from seasoned professionals in the field.

Responsibilities

- Collaborate with experienced professionals on projects related to maritime operations, navigation, and environmental stewardship.
- Support day-to-day activities within assigned departments, contributing to the overall success of the St. Lawrence Seaway.
- Assist in data analysis, research, and the implementation of strategies to enhance operational efficiency.
- Engage in training sessions and workshops to develop a comprehensive understanding of the maritime industry.
- Contribute to the development and implementation of safety and environmental initiatives.
- Provide support to various functions within the St. Lawrence Seaway Development Corporation.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Pursuing a degree in maritime studies, engineering, environmental science, or a related field.
- Strong academic record and a genuine interest in the maritime industry.
- Effective communication and interpersonal skills.
- Ability to work both independently and collaboratively in a team environment.
- Flexibility to adapt to the dynamic nature of maritime operations.

Experience

While previous maritime or internship experience is beneficial, we welcome applicants with a passion for the industry, regardless of previous experience.

Skills

- Proficient in Microsoft Office suite and basic computer skills.
- Analytical mindset with attention to detail.
- Strong organizational and time management skills.
- Eagerness to learn and contribute to the improvement of maritime services.
- Ability to handle multiple tasks efficiently.
