State Of Maine Summer Internship Undergraduate Program 2025

Description

The State of Maine Summer Internship Undergraduate Program provides students with an opportunity to gain hands-on experience in state government, develop professional skills, and contribute to public service. Interns will work in various state agencies and departments, supporting projects that enhance government operations and serve Maine residents.

Responsibilities

- Assist in research, data analysis, and project management within assigned departments.
- Support administrative tasks, including documentation, correspondence, and reporting.
- Collaborate with government officials and staff to enhance department operations.
- Participate in policy development, program evaluation, and community outreach efforts.
- Attend training sessions, networking events, and professional development workshops.
- Prepare and present findings, reports, or recommendations as needed.
- Perform other duties relevant to the assigned internship position.

Qualifications

- Must be currently enrolled as an undergraduate student in an accredited college or university.
- Must have completed at least one year of college coursework by the start of the internship.
- Must be legally authorized to work in the United States.
- Strong interest in public service, government operations, and policy development.

Experience

- Previous internship, volunteer, or work experience in a related field is preferred but not required.
- Experience with research, data analysis, customer service, or administrative tasks is beneficial.

Skills

- Strong written and verbal communication skills.
- Ability to work independently and collaboratively in a professional environment.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and other relevant software.
